LAMANO
EXTRAVAGANCE OF PURITY

Made with Soul. Made to Matter.

Craftsmanship at Lamano is a ritual: slow, silent, profoundly human. Each piece is hand-crafted, never rushed, limited not by marketing but by time and nature. Our atelier is a family-run microcosm of artistry – where every stitch carries memory and every thread breathes heritage. To wear Lamano is to experience intimacy: a garment made not for the many, but for the one.

EXTRAVAGANCE OF PURITY

A man with dark, wavy hair is shown in profile, looking towards the left. He is wearing a white, ribbed crew-neck sweater. He stands on a balcony or terrace with a dark metal railing. The background features a large body of water, likely a lake or bay, with a small island visible in the distance. The sky is filled with soft, grey clouds, and a bright light source, presumably the sun, is visible behind the clouds, creating a warm, golden glow. The overall mood is serene and contemplative.

THE LAKE COLLECTION

THE **THREAD** COLLECTION

A man with dark, wavy hair is sitting in a large, brown leather armchair. He is wearing a white, ribbed cardigan over a white t-shirt and white trousers. He is holding an open book in his lap and looking down at it. The background features a large, abstract painting with blue, green, and white tones. The lighting is warm and soft, creating a cozy atmosphere. The text "THE STITCH COLLECTION" is overlaid on the left side of the image.

L A K E

Lamano Artisans was created on the shores of Lake Trasimeno, where every stitch, every thread, every breath is an act of listening.

Here is where the finest cashmere comes to life.

In the silence of the lake, in the flow of the water, in the revealing light of an early morning.

The natural washing of every item in these mineral-rich waters refines the fiber and restores cashmere to its purest form: soft, alive, silent.

T H R E A D

Born from the rhythm of hand and machine, The Thread Collection embodies the art of structure — where each stitch becomes a gesture, and every texture tells of time.

Crafted from the most refined fantasy yarns, patiently composed in our atelier, these pieces capture the dialogue between hand, material, and light.

Soft reliefs, subtle contrasts, and quiet volumes evoke the ever-changing reflections of Lake Trasimeno — a landscape translated into thread.

A collection that reveals purity through texture, and harmony through imperfection.

STITCH

A heritage of hands

The Stitch Collection is our interpretation of timeless knit stitches — patterns once shaped slowly by hand, with needles or crochet, guided by the natural rhythm of time.

These stitches carry the memory of places and traditions, where technique and intuition were inseparable.

Nuanced colors, subtle reliefs, and quiet textures evoke moments that belong to life around Lake Trasimeno — its shores, its seasons, its humanity.

A collection that celebrates heritage through touch,
and purity through the beauty of its handmade origins.
